(ii) Is not visible from the street or other public or private property.

(c) If the property owner establishes the elements in (b) of this subsection by a preponderance of the evidence, the vehicle may not be removed as a junk vehicle under this section. To establish the elements in (b) of this subsection, the property owner may, without limitation, present:

(i) Evidence of active, recent restoration work on the vehicle, including receipts or other pertinent evidence;

(iii) Evidence that the vehicle has a collector vehicle license plate under RCW 46.18.220 or a horseless carriage license plate under RCW 46.18.255.

(d) This subsection (2) does not prohibit a city, town, or county from enacting, enforcing, or maintaining an ordinance, development regulation, zoning regulation, or official control, policy, or administrative practice to otherwise regulate restoration of collector vehicles.

(3) Ordinances pertaining to public nuisances shall contain:

(a) A provision requiring notice to the last registered owner of record and the property owner of record that a hearing may be requested and that if no hearing is requested, the vehicle will be removed;

(d) A provision that the owner of the land on which the vehicle is located may appear in person at the hearing or present a written statement in time for consideration at the hearing, and (i) deny responsibility for the presence of the vehicle on the land, with his or her reasons for the denial(-);, or (ii) provide evidence that the vehicle is a collector vehicle that is one of three or fewer collector vehicles that are being actively restored or are being used to supply parts for a collector vehicle that is being actively restored, and is not visible from the street or other public or private property;

(e) A provision that if it is determined at the hearing under (d) of this subsection that the vehicle was placed on the land without the consent of the landowner and that he or she has not subsequently acquiesced in its presence, then the local agency shall not assess costs of administration or removal of the vehicle against the property upon which the vehicle is located or otherwise attempt to collect the cost from the owner;

((~~e~~)) (f) A provision that after notice has been given of the intent of the city, town, or county to dispose of the vehicle and after a hearing, if requested, has been held, the vehicle or part thereof shall be removed at the request of a law enforcement officer with notice to the Washington state patrol and the department of licensing that the vehicle has been wrecked. #### PERSONAL PRIVILEGE

Senator Roach: "Thank you Mr. President, members of the senate. Well, I would like to compliment the good senator from the Thirty-Second District who today made front page lines for her very bipartisan effort to protect the safety of young children should they come across a fire arm and not know what to do. Senator Chase, to show you how grateful I am for the fact that you're out there on this issue helping to help children, I have provided each of you at your floor desks with two of the coloring books that the National Rifle Association does provide and take at them you'll see the safety that is encouraged. Just like we encourage kids if they are crossing the street to you know look both ways and if they somehow their clothing is on fire you drop and you roll. When you, if they should come across a fire arm, you stop. You don't touch it. You go tell an adult and that's the

content of these booklets and I just wanted to commend the good Senator for her efforts and her ability to put down partisanship in this to protect the children of the state of Washington, our grandchildren, our children and those yet to come. Thank you very much Senator.”

PERSONAL PRIVILEGE

Senator Chase: “I would like to thank the good Senator for acknowledging the importance of making sure that our children are safe around fire arms.
